# TRIVIA 3-5-17

## Answers to Trivia

1. "We may eat of the fruit of the trees in the garden; it is only about the fruit of the tree in the middle of the garden that God said, 'You shall not eat it or even touch it, lest you die.'" But the serpent said to the woman: "You certainly will not die! No, God knows well that the moment you eat of it your eyes will be opened and you will be like **gods** who know what is good and what is evil." Genesis 3:2-5

2. Men and women create many gods. Many people worship the wrong being.

See CCC # 2113 and fill in the blank: **Idolatry** rejects the unique Lordship of God. What are some of the idols in our secular culture today?
